## COMPANY PROFILE

### An Integrated Business Platform powered by “Education Operation and Financial Services”

CFCG focuses on the operation of a complete education industry chain and offering diversified financial services. The Group has been providing financial services since 2014, and ventured into education operations in 2016. Guided by its "Education Operation plus Financial Services" strategy, the Group intends to build an operations, investment and financing platform for education, as a complement to its wide-ranging financial services units.

### Education Operation

The Group is actively exploring high quality education projects both domestically and abroad and making investments with its own funds through a range of projects covering the entire education industry.
