## COMPANY PROFILE

### An Integrated Business Platform powered by "Education Operation and Financial Services"

CFCG focuses on education operation and financial services. The Group has been providing financial services since 2014, and ventured into education operations in 2016, with an aspiration to build a platform for education operation, investment and financing in the education sector in order to facilitate the Group's dedication to operation in and integration of high-quality education enterprises, and provide education institutions with investment and financing channels and advisory services thereby connecting the education industry to capital markets and discovering and adding to the value of education companies.

### Education Operation

The Group is focused on exploring, cultivating, investing in and operating quality education assets. While selectively developing segments that are fit for the predominant market trends of the education industry and unique characteristics of Chinese education demand, it focused on investing in benchmark assets and bolt-on assets in the segments of childhood education, K-12 education, vocational (training) education, and media and arts education.
